

A PAWS FOR ABILITY
SINCE 1998

Taking the “dis” out of disability.

501(c)(3) non-profit public charity; EIN 31-1625484

4 Paws for Ability has been providing life changing service dogs to children and veterans with disabilities since 1998. 4 Paws service dogs have been carefully bred, raised, and trained to perform these important roles. We work closely with the individual to determine their unique needs that can best be met through the support of a service dog. Our team of dedicated staff and volunteers with the generous support of our donors create these canine miracles. Join the team, change lives.

4 Paws for Ability enriches the lives of people with disabilities by placing life changing service dogs.
