

# Neuropsychology

**Cassandra Cespedes Carrasco, PsyD**

Licensed Clinical Psychologist

[AdventHealthforChildren.com/Neuro](https://www.AdventHealthforChildren.com/Neuro)

Cassandra Cespedes Carrasco, PsyD, is a bilingual (English and Spanish) licensed clinical psychologist working within the AdventHealth Medical Group neuropsychology clinic. Dr. Carrasco treats children, adolescents, and young adults (ages 7-25) presenting with a wide range of emotional and behavioral difficulties. She also works to determine how medical conditions impact other areas of an individual's life such as cognitive abilities, academic performance, social functioning, and mood. Dr. Carrasco focuses on primarily cognitive-behavioral approaches in order to help her patients and their families reach their treatment goals.
