

EPILEPSY AWARENESS CLUB

Who We Are

Founded in Fall 2022, the Epilepsy Awareness Club at UCF (EAC) is dedicated to spreading knowledge, raising awareness, and providing support to those affected by epilepsy—a disorder that is often overlooked and yet impacts many, including students on our own campus

Our Mission

- Educate the UCF communities about epilepsy and seizure first aid
- Advocate for epilepsy awareness and break the stigma
- Build strong connections with the local Orlando epilepsy community and provide support to those affected

What We Do

- Neurology Internships
- Volunteer Opportunities
- Expert Guest Speakers
- A Collaborative Environment
- Host Awareness Events & Fundraisers
- Collaborative with Local and National Organizations
