

We are a private, non-profit organization serving residents of Florida diagnosed with epilepsy/seizure disorders and their families. We are the sole provider of specialized services for persons with epilepsy living in Hillsborough, Polk, Highlands, and Hardee counties.

MEDICAL DIAGNOSIS AND TREATMENT

- Access to pediatric and adult neurologists
- Access to Diagnostic Labs and other Testing
- Full or partial payment of medical treatment

CASE MANAGEMENT

- Coordination of medical and other support services
- Case management counseling provided for clients and family members
- Initiation of Treatment Plans and Plans of Care

PREVENTION & EDUCATION

- Education programs for clients, family members, and the general public
- Coordination of support groups
- Seizure First Aid Training and Certification
- Health Fairs

MENTAL HEALTH SERVICES

We provide Mental Health Counseling Services to our clients via Tele-Counseling where clients can receive these services while enjoying the comforts of their home.

ADVOCACY INFORMATION AND REFERRAL

We are committed to helping people with epilepsy be the most productive and successful they can by working with the individual child, adult or family and their employers and schools, and by educating the public.

We receive funding and support from the Florida Department of Health, United Way of Central Florida, Epilepsy Foundation of America, private foundations, corporations and business, civic groups and organizations.
